

WE NEED YOUR HELP!

As a Christian ministry, AlphaCare provides free pregnancy tests and ultrasounds and walks with women through pregnancy and post partum so they have the support they need to choose life for their babies.

Our nurses are the front line of care for our patients. They serve women facing the biggest decision of their lives during a vulnerable time.

We need ultrasound models for our new nurse to complete her training before seeing patients. Can you help prepare her for ministry?

Call or text 215.546.8686 to volunteer as an ultrasound model, **confidentially.*

**We won't spoil your surprise!*

- Dates: November 14, 15, 16, 18, 19, & 20 in West Philly
- Eligibility: between 6-20 weeks pregnant
- Time Slots: 9am-5pm
